

## El Paso COVID-19 Response Fund

Dear Friends:

We are grateful to businesses, civic organizations, hospitals and healthcare providers for all that you are doing to support your employees, colleagues, families and friends in this time of crisis.

We know that our nonprofit organizations serving the most vulnerable in our

community need our help as well.

Here are a few ways you can help:

## Monetary Gifts

The Paso del Norte Community Foundation has established the [COVID-19 Response Fund](#) in partnership with the United Way of El Paso County to support nonprofit organizations serving the most vulnerable in our community – including the homeless and elderly populations. **We are pleased to announce that Wells Fargo has already made a significant gift of \$75,000 to the fund.**

We invite you to consider a monetary gift to support this community response effort. 100% of donations will be granted to nonprofits to serve those in need. Just as we've seen with El Paso Giving Day, donations of all sizes add up to make a big impact.

>>[DONATE NOW](#)

## Non-Monetary Gifts

We also know that nonprofit organizations need volunteers and cleaning/sanitation supplies.

To volunteer, please contact [El Pasoans Fighting Hunger](#) or [United Way of El Paso County](#).

To donate cleaning supplies, please see the list below for items needed and delivery locations.

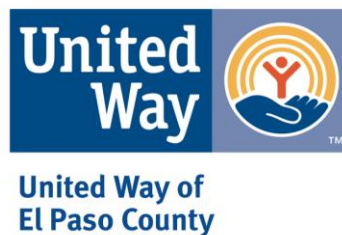

## For Individuals Seeking Assistance

There are a few resources for individuals and families in need of direct assistance. [The County of El Paso General Assistance Fund](#) and [Project Bravo](#) are two entities that have applications for direct rental, utility or general assistance.

## Additional Information/Resources

We will continue to provide information and resources available for our community on a regular basis by email and on-line.

Thank you again for all that you are doing. We greatly appreciate your generosity and support.

---
