

Dr. Cuauhtémoc Hurtado Appointed as **Medical Director**

We are delighted to announce the appointment of Dr. Cuauhtémoc Hurtado as the Medical Director of Bienvivir All-Inclusive Senior Health. Since joining Bienvivir in 2010, Dr. Hurtado's commitment to our participants and his shared vision of our organization's values have identified him as an exemplary role model for our medical, operational and administrative personnel.

For the past few months, Dr. Hurtado has been assisting as Interim Medical Director; his quiet, calming and confident demeanor has assisted our organization to navigate successfully through a very difficult period. We are certain that in his role as Medical Director, he will be an essential part of continuing our role of PACE leadership within the state.

Please join us, in thanking Dr. Hurtado for his leadership and commitment to our participants and our workforce, in congratulating and supporting him in his new role, and in wishing him great success.
